	the soldiers rushed from the house to the truck. everyone on the dunes, including the children, was sent away on such occasions.	25X1 25X1
7.	There was in the Nimmersatt (N 55-52, E 21-06) area a training ground for artillery troops. The people who formerly lived in this area were Germans who had been expelled. Since the war no civilians were employed at the training ground. Labor battalions were brought in. Persons with little education and poor health were used in labor battalions when fulfilling their military obligations.	
8.	From the east shore of the Daugava River, near Riga, transport and passenger aircraft landing and taking off from the Spilve	25 X 1
	airfield	25X1
9.	Some trawlers from the State Fishing Enterprise (Gosmorlov) used to go to the Gulf of Danzig but smaller fishing boats never went there from Lepaya. The fishing boats from the Bolshevik Artel only went as far as the Klaypeda fishing grounds, which, so far as was known, were never closed to fishing.	25X1
